LB 544

LR 28

resolution.

SENATOR NELSON: Mr. Speaker, members of the body, I, too, lend my support, and even though that some of these cities, again as Senator Johnson said, may be west, we are trying to do something in our Tri-City area and to improve our service, and this is of utmost importance to our areas and to getting new business and retaining the ones that we have. And I commend Senator Scofield for the resolution.

SPEAKER BARRETT: Thank you. Any other discussion on the resolution? Senator Scofield, any closing remarks? Senator Scofield waives. The question then is, shall LR 28 be adopted as found on page 461 in the Legislative Journal? All in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 31 ayes, 0 nays on adoption of the resolution, Mr. President.

SPEAKER BARRETT: LR 28 is adopted. Additional motions, Mr. Clerk.

CLERK: Mr. President, Senator Wesely would move to withdraw LB 544.

SPEAKER BARRETT: Senator Wesely, please.

SENATOR WESELY: Thank you. Mr. Speaker, members, LB 544 deals with the labeling requirement for food banks. You graciously adopted an amendment to LB 201 to meet that concern, so rather than going through the process of holding a hearing, I am asking that this bill be withdrawn. If we could continue this process and keep adopting my amendments to bills, surely I can reduce the number of bills, withdraw some more, and get down below Pappas so Pappas can have the record as most number of bills introduced this year. That is my goal. I hope we continue this trend. Thank you.

SPEAKER BARRETT: If there are no objections, so ordered. I am advised there should be a vote on this, Senator Wesely. Any discussion? If not, a machine vote. All in favor vote aye, opposed nay. Have you all voted? Record.

CLERK: 28 ayes, 0 nays on the motion to withdraw the bill, Mr. President.
